See back of form for additional questions. Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ► On March 25, 2022, the American Century Mutual Funds, Inc. - Growth Fund (EIN: 43-1607637) acquired all of the assets and assumed all of the liabilities of American Century Mutual Funds, Inc. - NT Growth Fund (EIN: 20-4432484) in a tax-free reorganization. As a result of the reorganization, the shareholders of all classes of NT Growth Fund exchanged their shares for shares in the same respective class of Growth Fund equal in value to the aggregate net asset value of the shares surrendered. See attached schedule for details of the exchange. Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per 15 share or as a percentage of old basis ► After the reorganization, the shareholders of NT Growth Fund received shares of Growth Fund. The shareholders' aggregate tax basis of the shares received from Growth Fund are the same as the shareholders' aggregate tax basis surrendered by NT Growth Fund. However, the cost basis per share of NT Growth Fund shareholders have changed basis upon the number of shares received from Growth Fund. See attached schedule for exchange ratios. Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ The tax basis of the shares of Growth Fund received in the reorganization was determined by dividing the aggregate tax basis of the shares surrendered by NT Growth Fund by the total number of shares of Growth Fund received in the reorganization.
