

Biography

D.J. Cross, CFA

Portfolio Manager and Senior Investment Analyst

D.J. Cross, CFA, is a portfolio manager and senior investment analyst for American Century Investments, a premier investment manager headquartered in Kansas City, Missouri. He is based in the company's Kansas City, Missouri office.

D.J. co-manages the U.S. Sustainable Large Cap Growth strategy and provides fundamental research and analysis for the technology and communication services sectors for all strategies managed by the U.S. Large Cap Growth team. He has been a member of the team since joining American Century in 2016 as a senior investment analyst. Previously, he was a vice president and equity analyst at Neuberger Berman, where he covered IT hardware and industrial technology. Prior to that, D.J. was vice president and equity analyst at Bank of America Merrill Lynch, responsible for covering enterprise hardware and software. He began his career as a financial analyst with EMC. He has worked in the investment industry since 2003.

D.J. earned a bachelor's degree in finance from Boston College. He is a CFA® charterholder and a member of the CFA Institute.
