

## Glenn Dial

### Senior Retirement Strategist

Glenn is Senior Retirement Strategist at American Century Investments.

Glenn has over 30 years of retirement industry experience. Prior to joining American Century Investments, he was Head of Retirement Strategy at Allianz Global Investors, and prior to that, National Sales Manager for the Defined Contribution Investment Only business at JPMorgan.

Glenn holds two patents as the co-inventor of the “method and system for evaluating target-date funds.” He has led the creation of several industry leading tools and programs such as the Target Date Compass, the Glide Path Optimizer, the Certified Behavior Finance Analyst audit program and Risk University. Mr. Dial is also a nationally known speaker in the Defined Contribution industry and has written articles or been quoted in most of the industry publications.

Glenn is recognized as one of the 100 Most Influential People in the Defined Contribution industry according to the 401kWire.com surveys in 2015, 2014, 2013. He holds a B.S./B.A. in finance from the University of Central Florida and an M.B.A. from Rollins College.
