

# Jennifer Debrosky

Senior Director, Product Development

Jennifer Debrosky joined American Century Investments as a Senior Director, Product Manager for Multi-Asset Solutions in 2021.

Prior to American Century, she was Vice President, Product Manager for Multi-Asset Strategies & Solutions at Voya Investment Management. Before moving over to Product Management, she spent 20 years leading competitive intelligence and market research teams for Voya, Legg Mason (now part of Franklin Templeton) and Capital Group.

Jennifer received her BA from Boston College and her MBA from Loyola Marymount University.
