**Bruce Badner**  
Senior Investment Analyst

Bruce Badner is a senior investment analyst for American Century Investments, a premier investment manager headquartered in Kansas City, Missouri. He is based in the company's New York office.

Bruce provides fundamental equity research and analysis for the Non-U.S. Growth, Global Growth and related strategies. He joined American Century Investments in 2014 from Sanford C. Bernstein, where he was a vice president on the Institutional Equity Research team covering global pharmaceuticals.

Previously, he was with Elan Pharmaceuticals, most recently as director of commercial strategy, leading its forecasting and valuation efforts for marketed products, pipeline products and business development candidates. Before that, Bruce was a senior manager with Pfizer, where he was responsible for the valuation of more than 50 pharmaceutical licensing and acquisition opportunities. He has also held roles as a product marketing manager with Cisco Systems and a financial analyst with Goldman Sachs & Co. He began working in the financial services industry in 1996.

Bruce holds a bachelor's degree and a master's degree in mechanical engineering from Columbia University and a master's degree in business administration from the MIT Sloan School of Management.
